

Data sheet STIHL HT 101 - Powerful 1.05 kW pole pruner with 4-MIX engine technology and telescopic shaft

Powered by STIHL's revolutionary 4-MIX engine technology, the HT 101 can reach branches up to approx. 5m off the ground thanks to its extendable shaft. The length can range from 2.7m - 3.9m. With Picco Mini chain as standard it makes the HT 101 the perfect tool for trimming branches. Don't forget the Comfort harness HT for even load distribution over the shoulders when using the HT 101.
